

*A Place to Call Home*

### *Physician-Led Medicine in the Rocky Mountains*

Surrounded by majestic mountains, Harlowton is centrally located between Bozeman and Billings with easy access to extraordinary outdoor recreation. Amazing hiking, blue ribbon trout fishing, camping, snowmobiling and skiing are all close to home. Harlowton is a family-friendly community where your patients are your friends and neighbors. This is your chance to make a difference in family medicine and live in Big Sky Country. Four seasons of sunshine!

## Family Medicine Physician in Central Montana

Seeking a board-certified **Family Medicine** physician to help us grow and build a NEW clinic and hospital in central Montana. Expand your primary care practice – including shared call for emergency and hospital coverage – at our Critical Access Hospital in Harlowton.

As part of our excellent team, you will help form the future of health care for this region, thanks to a \$19 million U.S. Department of Agriculture investment in a new health care facility to open in late 2024. You will be employed and supported by Billings Clinic, the largest and most comprehensive independent health system in Montana, and you will work at Wheatland Memorial Healthcare.

- Full-spectrum Family Medicine (no OB)
- Requires health care experience, including an Emergency or Critical Care setting
- Work together with specialists at our regional multi-specialty clinics (80+ specialties)
- Integrated regional EHR
- E-Avera: 24-hour access in the ED to telemedicine support from board-certified Emergency Medicine physicians
- Telemedicine and virtual visits available
- Level I Trauma Center and regional tertiary center are in Billings
- MedFlight aeromedical transport includes rotor wing and fixed wing (based in Billings and Bozeman)
