

**Billings Clinic**

## **Living well with Neurological Disorders**

(For Patients and Caregivers)

**3rd Wednesday of Every Month**

**Starting January, 16th**

**5:30 pm – 7 pm**

Mary Alice Forten Health Conference Center, Room E

Please join us for a collaborative and educational support group for patients and caregivers affected by neurological disease. This includes Muscular Dystrophy, Multiple Sclerosis and more. Share ways to cope with physical and emotional aspects of your or your love ones diagnosis, while creating a support system within your community.

For more information, call Kaela Imm at **406-435-2752**.
