An ENA Course

Interested in taking the 9th Edition of the Trauma Nurse Core Course? Enhance your ability to care for trauma patients with innovative online modules supported by a revamped provider manual, preparing you for an interactive classroom experience.

The Emergency Nurses Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This 9th edition TNCC provider course has been approved for 18.3 contact hours for RNs.

In accordance with the Americans with Disabilities Act, please advise the course director if you have any disability that requires special materials and/or services so appropriate personnel can be advised.
