FYI – probably not important for website, but background for you.

- We have increased number of participants by 45% and participant hours by 31% from 2015 to 2017. More efficient with scheduling and use of space, accounts for the difference in the amount of increase between participants and participant hours.

SELL USE – 2015-2017			
	N - Participants	N - Participant Hours	
2015	2107	12679	
2016	2649	13154.5	
2017	4020	18243.25	Through 12/15
