- What do you believe is influencing your health
- Current and previous health related conditions
- External factors and living conditions that could be contributing
- Medication list including prescribed and over the counter
- Other information you feel is contributing to your overall health

3. Notification of any changes to your condition

- Changes in symptoms
- Medical History
- Medications
- Mobility
- Other health care related information

LABS MUST BE COMPLETED PRIOR TO APPOINTMENT

We know you're busy. That's why we send **appointment reminders by mail and text message**. We also call to confirm your appointment and make sure you've obtained your necessary labs.

Responding to phone calls and letters in a timely manner will allow us to provide you with the best patient experience before you even walk through the door. Please be respectful of fellow patients and staff and **give at least 24 hours notice if you are unable to make your appointment**. This allows other patients the opportunity to be seen for their medical needs.

Our team of highly skilled medical professionals takes pride in caring for you and your loved ones. If you have questions, concerns, need to reschedule or make an appointment please call **406-435-1414**.
